Subject: Microsoft Settlement

It is high time, and long past, to get the Microsoft antitrust case settled and done with. I am almost sure that the very beginning of the economic downturn we are currently trying to climb out of, was first initiated due to the anti-business, anti-capitalist attitude of the previous Administration. I am in full support of the current Administration in its desire to get this case settled without further action. Enough is enough. Please "call off the dogs".
